# Wen Jiabao talks of democracy and freedom in CNN interview

Published: October 4, 2010

Tags: **CNN** , **Wen Jiabao**

“The people’s wishes for, and needs for, democracy and freedom are irresistible.” Wen Jiabao, China’s premier has emphasized the need for political reform, in the latest of several outspoken remarks on an issue senior Communist party leaders usually avoid in public.

The [Guardian](#) says, in an interview with CNN he also said the party “should act according to the constitution and law” and pledged: “In spite of some resistance, I will act in accordance with these ideals unswervingly and advance, within the realm of my capabilities, political restructuring.”
